« Fascinating aromas of dark fruits and lime skin follow through to a full body. A focused and intense palate and a long, flavorful finish. Needs a year or two to soften, but already serious. »

Yves Beck : 90 Points

« Ruby red with garnet reflections. Beautiful olfactory intensity with slightly smoky notes and lots of fruit. Pleasant mineral touch. The palate confirms the bouquet's abilities with a nice fruity intensity. There is crispness and freshness. A balanced, juicy wine, perfectly balanced and with silky tannins. Now – 2022 »

"The" Camille de Labrie "is a family story. A beautiful and tasty story. First of all because it is a couple, Axelle and Pierre Courdurié who own the domain. Axelle, is the passionate alchemist who offers us wines of an elegance and an unusual truth even in this cuvée produced from a selection of the best grapes of the appellation, which makes it automatically a Proud representative of the Bordeaux appellation. For his part, Pierre sees mainly the commercialization, whereas the girl of the couple "Camille" has given its name to this cuvée in addition to there to draw the label. In this price range, it is one of the sexiest and best made Bordeaux I have tasted in recent years. Well structured, friendly and all in finesse, it is a wine that gives the taste of good Bordeaux drink! »
